Are you in a season of your life when you are contemplating the question, "What is my particular call or life purpose? God calls us first to himself, to know him intimately and to follow Jesus. But there is also a defining purpose for our lives; a vocation or calling. We offer a 2-Month Series (4 Sessions) to help you discover your vocation by listening to God and responding faithfully as God leads.

Spiritual Direction *(Office Location)*

Do you long to grow in intimacy with God and to be more attentive to the ways God is present and active in your every day life? Do you have questions about your faith, your prayer life, your vocational life, or relationships? We encourage you to consider sharing your spiritual journey with a spiritual companion who will help you learn to attend to God's presence and movement in your life.

Healing Prayer *(Office Location)*

Do you struggle with persistent feelings of fear, discouragement, inadequacy, shame, grief, unworthiness, resentment, anger, hopelessness, guilt, sadness, loneliness? God has great compassion for you and wants to free you from the burden you carry. We invite you to come for healing prayer so you may receive the fullness of life Jesus promises, even in the midst of your pain and disappointment.

Retreats *(Peace and Spirituality Center and Local Churches)*

If someone were to ask you, "What is Jesus saying to you in this season of your life?" Jesus is always speaking to us and is saying one thing that he wants us to hear. Not only does he want us to hear, he also wants us to respond to his invitation. Extended time apart with Jesus in prayer helps us grow in our ability to hear and know that it is Jesus. Join us for a half or full day retreat. We will help you to slow down and meet God in prayer.

Discernment – The Art of Choosing Well *(Office Location and Local Churches)*

Are you and/or others in a time of decision? Do you want to find out what God wants in order to remain faithful to God? In order to choose well, we need to practice the art of discernment, that is, to be guided into God's best with the help of the Spirit of Christ. We offer "guided discernment" to individuals, groups, and church leaders who seek to discern God's direction for life and ministry.
