

PARTNER 25

BUILDING THE FOUNDATION PARTNERSHIP PROGRAM

Dear Friend of Renewal Ministries:

We need your help and here is why! First, we must tell you that we have witnessed extraordinary works of the Spirit of Jesus! Across the Puget Sound region individuals and church leadership are learning to hear the voice of Jesus and are responding with conviction in obedience.

Why is Renewal Ministries so important TODAY? We live in a culture that is excessively busy and demanding. In the midst of this, we all need help with hearing the ONE voice we long to hear who calls us into what is best for our lives and our ministries.

Second, you have been an important part of the fruitfulness of Renewal Ministries. Perhaps you have participated in our ministries, prayed for RMNW, and/or have contributed financially. We know you value this ministry. Since you are a part of our community we want you to know about our financial situation.

1. Currently, our expenses exceed our revenue. We have a lean operating budget and the cost for offering our ministries has increased. We are averaging a short fall in revenue of \$3,000 a month.
2. In the 8 years of our existence, we haven't had the finances to hire clerical help. We are grateful for the volunteers who have stepped in. However, we cannot respond to the increasing requests for this ministry unless we hire a part-time assistant.

If you have not yet become a financial partner with us, here is how you can. You can become a "Partner 25" by giving \$25 a month. If you are already a donor, would you consider increasing your gift by \$25 a month? Perhaps you would like to give a one-time gift. We have the option now of recurring credit card payments! Please see the enclosed response card for details.

Thank you for your consideration of partnership with us.

Ministries

Call and Vocation: Discerning God's Best *(Office and Local Churches)*

Are you in a season of your life when you are contemplating the question, "What is my particular call or life purpose? God calls us first to himself, to know him intimately and to follow Jesus. But there is also a defining purpose for our lives; a vocation or calling. We offer individual and group ministries to help you discover your vocation by listening to God and responding faithfully as God leads.

Spiritual Direction *(Office Location)*

Do you long to grow in intimacy with God and to be more attentive to the ways God is present and active in your every day life? Do you have questions about your faith, your prayer life, your vocational life, or relationships? We encourage you to consider sharing your spiritual journey with a spiritual companion who will help you learn to attend to God's presence and movement in your life.

Healing Prayer *(Office Location)*

Do you struggle with persistent feelings of fear, discouragement, inadequacy, shame, grief, unworthiness, resentment, anger, hopelessness, guilt, sadness, loneliness? God has great compassion for you and wants to free you from the burden you carry. We invite you to come for healing prayer so you may receive the fullness of life Jesus promises, even in the midst of your pain and disappointment.

Retreats *(Peace and Spirituality Center and Local Churches)*

Do you know what Jesus is saying to you in this season of your life? Jesus is always speaking to us and is saying one thing that he wants us to hear. Not only does he want us to hear, he also wants us to respond to his invitation. Extended time apart with Jesus in prayer helps us grow in our ability to hear and know that it is Jesus. Join us for a half or full day retreat. We will help you to slow down and meet God in prayer.

Discernment – The Art of Choosing Well *(Office and Local Churches)*

Are you and/or others in a time of decision? Do you want to find out what God wants in order to remain faithful to God? In order to choose well, we need to practice the art of discernment, that is, to be guided into God's best with the help of the Spirit of Christ. We offer "guided discernment" to individuals, groups, and church leaders who seek to discern God's direction for life and ministry.
