

Prayer Retreats

Guided Prayer Retreats

Do you have a longing for time and space away from the demands of your daily routine to draw near to God for reflection, rest, and renewal? You may want to participate in a guided prayer retreat of a half day, full day or weekend.

- Retreats are offered for individuals and groups in settings which are conducive to prayer and reflection.
- Facilitators guide participants through short prayer exercises to enable them to draw near to God.
- Participants are invited to engage in these exercises, however, they are free to spend the day in whatever way they desire.
- The day includes meditation on scripture, worship, reflective music, and voluntary small group participation.
- In the spirit of Christian community participants are invited to enjoy hospitality through good food and fellowship.

If you would like information about participating in a retreat or scheduling a retreat for your congregation or organization, please contact us at:
